EDUCATION

Master Of Computer Application

2023 - 2025

Birla Institute Of Technology, Mesra

CGPA : 7.14

Bachelor Of Science (Computer Science)

2016 - 2019

Devi Ahilya Vishwavidalaya, Indore

Percentage : 67.75

Senior Secondary (Class XII)

2015 - 2016

Government HS School Vijay Nagar, Indore

Percentage : 74.20

PROJECTS

AI Enabled Finance Management - FinTrack [View-Dashboard](#) [Documentation](#)

- Built and deployed a dynamic full-stack **FinTrack** application that helps users to track monthly budgets and improve spending habits.
- Integrated AI-based OCR to automatically extract transaction data from uploaded images and PDFs of bills and receipts, enhancing accuracy and reducing manual entry time by 40%.
- Implemented secure user authentication using OAuth (Google, GitHub) and traditional email/password login.
- Tech stack: React.js, Supabase, Prisma ORM, Gemini API – delivering a scalable, interactive, and user-friendly experience.

Real Time Poll & Chat App - Intervue [View Dashboard](#)

- Designed and deployed a dynamic web application called **Intervue** aimed at enhancing interaction between teachers and multiple students through live polls and real-time chat during classroom sessions.
- The application allows teachers to conduct live polls, while students join session. Implemented Socket.IO for real-time bi-directional communication with built-in chat system, reducing response latency to under 100ms.
- Technologies Used: React.js, TypeScript, Tailwind CSS, Vite, Node.js, Express.js, Socket.IO, MongoDB (Atlas), Mongoose.

CERTIFICATIONS / ACHIEVEMENTS

Udemy - 2024 Web Development Bootcamp [View Credentials](#)

Oracle - Databases for Developers [View Credentials](#)

Naukri.com AINCAT-2025 AIR-40 [Certificate](#) [Result](#)

TECHNICAL SKILLS

- **Programming Languages** : Java, JavaScript
- **Developer Tools**: Git, Github, VS Code, Docker, Kubernetes, AWS(Basic), CI/CD
- **Database Management** : SQL, NoSQL(MongoDB)
- **Technologies** : HTML, CSS, ExpressJS, ReactJs, NodeJs, RESTful Web API.
- **Operating System** : Windows, Linux
- **AI Tools** : LovableAI, CursorAI
- **Concept and Interest** : Data Structure and Algorithm, Computer Network, Object-Oriented Programming (OOP), DBMS, SDLC Models (Agile or Scrum).
